

## Our Mission

---

SkinPro Esthetics is built on a foundation of passion, integrity, education, & experience. Our goal is your empowerment, be that as an esthetician, or on your own personal skincare journey. SkinPro Esthetics will provide you with the most transparent & objective based advisements.

## Who is SkinPro Esthetics?

---

Robin, owner, primary technician, and educator at SkinPro is a Licensed Esthetician since, 2004. Robin holds double certification in Laser and Light Technology from 2 different accredited organizations including a Certified Clinical Laser Technician Diploma from European Institute of Esthetics and a Diploma of Laser & Light from the International Therapy Examination Council (ITEC) recognized in 38 Countries Worldwide. Robin completed an internship with a Cosmetic Dermatologist in 2007-2008, was previously an ITEC Educator in Esthetics & Laser as well as currently works as a Clinical Application Specialist (Clinical Trainer) for Lumenis BE INC., in North America. In other words, Robin travels all over Canada and the US to train industry professionals on how to use their Laser and Light devices. Robin is a Certified Clinical Esthetician and holds over 10 additional certifications in the field of esthetics. SkinPro Esthetics has evolved from a home-based esthetics studio to a premier skincare, laser, esthetics, and education destination for anyone interested in the field of esthetics as a client or student.

## Admission Requirements:

---

SkinPro Esthetics offers programs suitable for those with all levels of education. We suggest fluency and reading comprehension in English be at a Grade 12 or GED equivalent level, although it is up to your discretion if you wish to undertake program(s). You must be 18 years or older. You must have internet access to complete the theory component. You must be able to attend practical training in Sherwood Park, Alberta on the scheduled dates and times of your module(s).
